

Family Engagement Days

Family Engagement Days are days during the school year where the Pre-K staff creates a day of activities for the Pre-K students and their families to engage in together. Studies have shown when parents and caregivers are involved in their child's education they are more likely to be successful! We create no or low cost activities here at the school or a setting nearby, where the students and their families can bridge the gap between school and home.

We have decided to schedule these days on our non-attendance early release Wednesday. **The three engagement days will be November 4th, 2015; February 3rd; and April 6th.** Activities and schedules will be released closer to the family engagement day.

Thank you,
The Pre-K Staff
