

# Pre-Kindergarten Curriculum

Instruction is based upon the Illinois Early Learning and Development Standards and Creative Curriculum (research based) using thematic units, multisensory activities, and hands on learning to teach:

- Literacy Skills
  - Math Skills
  - Social Skills
  - Motor Skills
  - Play Skills
  - Other components of learning
- 
- Instruction is differentiated to meet individual needs (typically developing and special education).
  - Instruction is provided in large group, small group, and individual format (best practice).
  - PBIS is used in the classrooms to promote positive behaviors.
  - Daily recess time at pre-k playground area (weather permitting).
